The Scientist

BARITONE
Come up to meet you, tell you I'm sorry
You don't know how lovely you are
I had to find you, tell you I need you
Tell you I set you apart
Tell me your secrets
and ask me your questions
Oh, let's go back to the start
Running in circles, coming up tails
Heads on a science apart

SOPRANO & ALTO
Nobody said it was easy
BARITONE
It's such a shame for us to part
SOPRANO & ALTO
Nobody said it was easy
BARITONE
No one ever said it would be this hard
Oh, take me back to the start

SOPRANO & ALTO
I was just guessing at numbers and figures
Pulling the puzzles apart
Questions of science,
science and progress
That must speak as loud as my heart
ALL
Tell me you love me,
come back and haunt me
Oh and I rush to the start
Running in circles, chasing our tails
Coming back as we are

Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard

SOPRANO	**ALTO & BARI**
I'm going back	Ahhhhhhh
to the start	Nobody said
	it was easy
	O-oh, o-oh, o-oh, o-hh
Ahhhhh	Nobody said
	it was easy
	O-oh, o-oh, o-oh
	Nobody said
	it was easy
	O-oh, o-oh, oohh

ALL
Nobody said it was easy
